No. E 86-343-40 dt 29.5.1943.

Recommending the grant of a loan of Rs 2000/- to Mr C. Jayaram Reddy undergoing training in Scheme subject to recovery in instalments on his return from Foreign training.

1) Officers of the Forest department deputed for foreign training in Forestry have been granted their pay and also loan scholarships in the past. Messrs Keshav Opalwaidu & Gulab Singh, who went to England for Forestry training at their own cost have also been granted loan scholarships. ~~No precedent~~ A loan of Rs 4000/- was also sanctioned in the case of Mr P.W. Nathanna who wanted to go to Scheme. (go no AF-1789-90/Pt 58-39-6 dt 11.10.1939) But he did not draw the loan as subsequently he went to America at his own cost. Mr Jayaram Reddy who has been selected by Govt & deputed to Scheme for advanced study in Forestry may perhaps be granted a loan of Rs 2000/- as recommended by the C.C.I. subject to the same conditions as in the case of Mr Nathanna. If approved this file be sent to Con Pts for further action.

Sir,

(9) With reference to your letter No.A.F.1283/Ft. 75-42 dated the 14th instant stating that the loan of Rs.2,000/- applied for by Mr. C. Jayaram Reddy under training in Forestry in Dehra Dun, cannot be granted and that he has to make his own arrangements to complete the course, I have the honour to forward herewith for the favourable reconsideration of Government a further application dated 14-9-1943 received from Mr. Jayarama Reddy and to state that according to the original estimate the total cost of the training at Dehra Dun was expected to be within about Rs.10,000/- as per the notification calling for applications from candidates intending to take up the course. It is however now represented that the total cost of the training will be beyond Rs.13,500/- on account of the abnormal increase in the cost of living and other items incidental to the training. In his application Mr. Jayarama Reddy has reiterated his prayer for grant of a loan of Rs.2,000/- immediately for payment of the College dues by the first week of October 1943. He has further pleaded that he is otherwise quite helpless. In the circumstances and in view of nearly three-fourths of the period of the training course being now over, I am of opinion that his prayer is deserving of the favourable consideration of Government. I accordingly recommend that orders of Government already communicated in this connection may be kindly

This file is put up for a separate connection

reconsidered and that the loan prayed for by the student kindly granted as a special case. Orders of Government may be kindly communicated in the matter early in view of the urgency brought to notice.

I have the honour to be,

Sir,

Chief Conservator of Forests.

10) The previous papers relating to this case are put up with the file re deputation of Candidates for Forest training in Dehra Dun, sent to the Fl. Secy on 22-9-43. This will if approved be also sent to him for favour of remarks on this further representation.

18) The present case of Mr Jayaram a Reddy's request for a loan of Rs 2000 is similar to that of Mr Muthanna. If a loan is to be granted adequate security has to be furnished, interest at 6% has to be paid by the grantee of the loan and the principal & interest has to be repaid in instalments. In

Dear Sir,

Ro
1579

With reference to the endorsement bearing G.O. No. sent to me, I beg to submit the following few lines for your reconsideration and favourable early orders.

I wish to state that, when I was selected as a probationer to undergo training in the Indian Forest College, Dehra Dun, for 1942-44 Course, the maximum cost of the Course notified in Gazette dated September 1941, was Rs 10500/-. I was then prepared to spend the amount specified in that notification on my training. On account of the high and abnormal increase in prices, ever since, of the equipment, books and other necessities that are essential to the training the total cost has gone above Rs 13500/-. This unforeseen increase in prices of articles and the increased cost of living have made me to seek for more help. I have spent more than the specified amount already. Still I am in need of Rs 2000/- to finish my Course. I have no other resource. I, therefore, entirely depend on Government to help me by granting a loan of Rs 2000/- only to finish my Course. I am prepared to pay back the loan with interest when I come back on Service.

P.T.O.

18

14

I have taken permission from the College authorities that I would pay up the dues by the first week of October 1943. In case I am not favoured with the request I may have to drop out from attending this final Session of the Course which commences from second week of October '43.

Thanking you, Sir

Copy of application from Mr. C. Jayaram Reddy candidate in the Indian Forest College (1942-44 Course) Dehra Dun to the Chief Conservator of Forests in Mysore, Bangalore THROUGH The Principal Indian Forest College, Dehran Dun.

I, the undersigned, a Mysore State student in the Indian Forest College (1942-44 course) beg to bring to your kind notice the following points for favourable consideration.

I was selected as Mysore State Student for training at the Indian Forest College in December 1941 and I joined the college in April 1942.

Under the terms of my agreement with the Government of H.H. the Maharaja of Mysore I am bearing the cost of my training for the course. The Government is please to pay me the stipend.

I wish to state that the total expenditure for the course is exceeding considerably the estimated amount specified in the Mysore Gazette notification of September 1941. This increase I need hardly say is due to the very high increase in the prices of equipment, books, and other necessities that are essential to the training. Also the cost of living has enormously increased. The source on which I had to depend for my expenses is limited and is feeling the pinch of the present day abnormal conditions. In addition, unforeseen circumstances have made me unable to get a sum of Rs.2,000/- which I need to complete the course.

I humbly request you, therefore, kindly to recommend to the Government of H.H. the Maharaja of Mysore to sanction me a loan of Rs.2,000/- to enable me to complete my course.

May I add that under such circumstances previously similar requisitions for loans have been granted.
